### Walking to Cima Rosa from the San Stae Vaporetto Stop

Walk Straight for circa 30 meters. You will take the first right; easy to miss, onto Calle Tron. Towards the end of Calle Tron take again the first right (you will see an open iron gate and on the ground it is written "proprieta privata") then walk straight into the square. The entrance to our court yard is through the big brown doors with lion door knocks.

Our Address is 1958 Santa Croce.

Our Doorbell is Cima Rosa.
